Dear Sir,

When discussing the Lehman Brothers court case with my former secretary Mareike  
Stolze, Mrs. Stolze confirmed that she had sent the relevant documents containing the  
proof of claim to New York twice. Please find attached her statement that I would like  
to present as additional evidence.

As Mrs. Stolze will work on the cruise ship "Seacloud" starting 1<sup>st</sup> December, she will  
not be able to participate in the upcoming telephonic court hearing.

Furthermore I would like to indicate that I might not be able to attend the next hearing  
established for 21<sup>st</sup> December 2011 neither personally not telephonically. However I  
would like to point out that I would not have any other statement to make other than  
provided by courier in the past and other than made in writing including Mrs Stolze's

statement: I filed the proof of claim in time. My claim was apparently not registered and only one year after the expiry of the deadline, had I been informed, that my filing had not arrived in time.

Concerning all future hearing dates, I would like to renew my request for telephonic participation.

Sincerely,

Appendix: Statement of Mrs. Mareike Stolze, who had physically taken the filings to the post office.

Dear Mr Siepmann,

I would like to confirm that - in my function as your secretary - I took correspondence related to the insolvency filing of Lehman Brothers addressed to New York on your behalf to the post office in mid October 2009.

I remember the case in so far as you asked me again to take the same correspondence to the same address to the post office in December 2009 as you had not received confirmation of the receipt of the correspondence sent in October.

Best regards
